SERVICES ORDER FORM

Please use this order form for jeans buttons, rivets, eyelets, bartacks, or combination orders.

Company Name:	
Contact Name:	
Contact Number:	
Contact Email:	
Invoice Name & Address: (if Return address is different, write this below)	

ORDER

In addition to the marked garments it is helpful for us to have a written description to avoid missing any marks. Include details such as service application, placement, style choice, size and any other identifying details.

If garments aren't marked correctly or are a high-risk fabric, to avoid damage, we may not complete the order.
